3 September 1965, Limited Distribution

1. The attached report by the Chairman, Committee on Overhead Reconnaissance (COMOR) on photographic coverage of South China and the Laos/ChiCom border areas for the past week is circulated for the information of the United States Intelligence Board (USIB).

2. The attached report provides current background in connection with the COMOR report on photographic coverage of South China and Laos (reference b.), which is scheduled as Item 1 on the USIB agenda this Thursday, 9 September.

3. It is not contemplated however that the attachment will be placed on the Board agenda unless a USIB Principal so requests prior to close of business Wednesday, 8 September. In the absence of such a request, it will be considered for record purposes that USIB "noted" the subject report on that date.
